Solon Nursing Care Center was built in 1973 by the community and we pride ourselves on continuing to be a community owned retirement campus managed by a volunteer board of directors.

We offer independent condos, assisted living, skilled nursing services, memory and long term care.

Now is the perfect time to clean out your loved one's wardrobe as well as assure that they have access to appropriate winter clothing.

**Thank you!**

### SRV Volunteers

SRV is always looking for caring and energetic volunteers to help improve the lives of our tenants.

If you are interested in spending time on the campus please stop by and fill out a volunteer application or contact our Activities staff.

### From Tyson Branscomb- Dining and Activities Director

It is hard to believe this is the last newsletter of the year. The staff at Solon Retirement Village want to take a second to thank the community, our volunteer board of directors and Solon's many businesses for their continued support. Most of all we want to thank our tenants and family members for allowing us to continue caring for our community.

**Have a very Merry Christmas and a Happy New Year.**

**Holiday Gifts**

Although we know how much everyone appreciates our staff members, we just want to remind you that they are not allowed to take individualized gifts from residents, family members or friends of the campus. If you would like to show your appreciation to our staff, a holiday card or a tray of baked goods to share are acceptable.

Thank you to Camp Courageous for continuing to offer Diamond the therapy dog for visits through the winter

Please remember that if you are bringing in snacks or Christmas goodies for your loved one, they need to be stored in a sealable container. Perishable items may be stored in our resident refrigerator for three days prior to being discarded.
