Solon Nursing Care Center was built in 1973 by the community and we pride ourselves on continuing to be a community owned retirement campus managed by a volunteer board of directors.

We offer independent condos, assisted living, skilled nursing services, memory and long term care.

Now is the perfect time to clean out your loved one's wardrobe as well as assure that they have access to weather appropriate clothing
Thank you!

SRV is proud to announce the installation of our new resident paging system. This is going to allow for greater communication between staff and residents by allowing SRV staff to carry a pager device on them during their shift. If you happen to see our staff carrying these devices around the facility, please do not confuse them for a cell phone. Although the devices look similar, they do not have the same technologies.

**Why not make things easier?
Stop by our social worker Mandy's office today to inquire about automated monthly billing and take the hassle out of paying for services.**
